

Activity Instructions

You Ain't Different

1. Randomly divide the room into groups (2 to 4 groups depending on room size and number of participants).
2. Give the following directions:
 - a. I am going to ask you some questions.
 - b. If your answer is yes, come to the center of the room.
 - c. If your answer is no, stay where you are.
 - d. If you feel uncomfortable at any point you can go back to your seat or not participate.
 - e. After each question, please return to your corner.
 - f. Shall we begin?
3. Read each question and pause for participants to move or stay still.
4. Ask participants to return to their corner after.
5. Read the next question.
